OVERVIEW

International Awards are the honors or recognition of an individual or a community. Usually, these recognitions are in the fields of Science, Mathematics, Literature, Technology, Community Services, Environmental Services, Architecture, Bravery, Philanthropy, Arts, Sports, Movies, Theatre, and other fields. Global Book of Excellence (GBE), England has been established to surface inspiring personalities and showcase their humanitarian virtues in the leading society through their outstanding deeds and matchless contributions. The Global Book of Excellence, England promotes peace with justice and the practice of nonviolence. It encourages

public interest and discussions regarding peace and harmony, social justice, human rights, healthcare, meaningful education, coexistence with the environment, ancient wisdom with modern technology and non-violent conflict resolution. Its sole aim is to inspire people towards the betterment of humanity by sharing world leaders' success and struggle stories in their respective fields. The Global Book of Excellence Jury comprises educationists, scientists, politicians, environmentalists, healthcare professionals, entrepreneurs, social reformers and researchers and many other sector.

VISION & MISSION

Our vision for the betterment of society, world peace, universal brotherhood, and promoting inborn leadership among people. The mission of Global Book of Excellence is to provide a platform for individuals from all walks of

life to showcase their extraordinary talents, skills, and accomplishments. We strive to inspire and motivate others by highlighting the limitless possibilities of human achievement.

GOVERNANCE

The Global Book of Excellence is governed by Supervisory Board. The Supervisory Board works closely with the management. Their responsibilities can be summarized as follows: decide upon and evaluate the Foundation's strategy, and priorities its activities evaluate the efficient use of the Foundation's resources (approval of budget and Annual Report), and appoint the Foundation's Director, members of the Supervisory Board and the President. The Supervisory Board meets at least twice a year. It consists of a minimum of five and a maximum of twelve members, including a Treasurer, Chair and Vice-

Chair. Both the Chair and the Vice-Chair act as the Foundation's Vice-Presidents. The President is an Extraordinary Member of the Supervisory Board. Members of the Supervisory Board are broadly representative of the wider Europe and of the disciplines and fields of activity related to our goals. They receive no remuneration for their activities on behalf of the Foundation but are entitled to reimbursement for the costs they incur in the performance of their duties. These reimbursements are listed and explained in the Annual Report.

COMMITTEE

The Global Book of Excellence is consisted of Administrative and Technical Committees provide specialized advice and recommendations to the GBE, supporting the Federation's work. They play a key role in the organization's internal affairs, including the provision of guidance, recommendations and related support to the GBE Bureau and the GBE General Assembly. The GBE Technical Committees are powerful sources of knowledge. They are composed of experts and global leaders in difference fields of space activities, who discuss and anticipate the selection process and media events activities.

SECRETARIAT TEAM

The Global Book of Excellence Secretariat is a small but dynamic team based in England and India. We work hard every day with unwavering enthusiasm to ensure a smooth coordination and management of all GBE

activities and events. Among other tasks, we support the GBE member organizations, the GBE Technical and Administrative Committees, the Global Conferences and the annual International Honour Ceremony.

JURY

The jury – Comprising seven individuals who represent corporate, media, academic, and community sector interests – assesses the merits of the nominees' efforts to promote the virtues of humanity. It is awarded to an organization or individual. The organization also occasionally awards a special medal for significant contributions to society to those who have made significant contributions to global peace including improvements in personal security and steps towards eradicating poverty. Whose role and responsibilities enable the recipient to use the prize to further the cause of peace with justice whose work illustrates the philosophy and principles of humanity. The Global Book of Excellence recognizes people and organizations promoting Cultural Harmony in recognition of their outstanding contribution to cultural harmony. Those who manifest the same selfless service and transformative influence for Outstanding contributions to humanity in psychology, physics, chemistry, medicine, peace, literature, economics, environment, woman empowerment, social justice and other subjects of public interest.

PROCEDURE

We strive to give recognition to people, who work and dedicate his/her life to the betterment of humanity. He/she could be anyone from any kind of profession, from all ages, and from any part of the world may it be man/women or organizations to involve in it. Only proposals in form of detailed profiles coming from competent persons invited to nominate are considered. However, a proposal is not taken as invalid for consideration by the jury merely on the ground of not

having emanated from competent persons. If it is considered that none of the proposals merit recognition, the jury is free to withhold the award for that year. Only achievements within 02 years immediately preceding the nomination are considered for the award; an older work may, however, be considered if its significance has not become apparent until recently. A written work, to be eligible for consideration, should have been published.

EVENTS AND ACTIVITIES

Global Book of Excellence carries its promotional events and activities through various platforms of Social media and other digital publication for awareness of its members and awardees.

PUBLICATION

Global Book of Excellence publishes content for espousing its core cause of enhancement in various formats of publication for benefit of its members, associated organization, people and academies. Global Book of Excellence keeps its members updated through all its publications. Electronic publishing (also referred to as e-publishing or digital publishing or online publishing) includes the digital publication of e-books, digital magazines, and the development of digital libraries and catalogs also print the magazines. Electronic publishing has become common. It is also becoming common to distribute books, magazines, and newspapers to consumers through digital devices, by online sources.
